

The Beaudoins

(and Sadie)

We started exploring, researching, studying, touring, comparing and asking lots of questions as soon as we found out our parish school was closing. We faced a difficult, very important decision in considering the school that we knew would be a big part of our lives for the next eleven years.

We saw other schools with more advanced technology, newer facilities, closer proximity to home, higher tuition, no tuition and even air conditioning! We carefully considered our options and looked at each school possibility as a package. We felt that Saint Mary Magdalen had the best “package.”

We have found Saint Mary Magdalen to be a place where academic needs are met, values are taught and a strong sense of community endures.

Looking back, we know we made the right choice and can't imagine feeling as good about our decision had we chosen to go anywhere else.
