

The Parent Family  
Jake, Luke, Mark, Carrie and Jack

*W*e chose Saint Mary Magdalen School because of the inviting atmosphere. We really consciously chose Saint Mary Magdalen, after months of struggling between our “home” parish vs. our local, nationally-ranked, public school. We truly did not feel “at home” at either school due to several reasons, so we decided to look outside the box. We walked into Saint Mary Magdalen Church one Sunday for Mass, and immediately felt a warm, at-home welcome from the parish community. We went to the school for a formal tour shortly thereafter, and we struggled no more. The closeness of the Saint Mary Magdalen family, the parish and the faculty continue to confirm that we have made the right decision for our family.
